

1936-37 County Basketball Season To Open Friday

SIX TEAMS SET FOR CONTESTS IN OPENING ROUND OF LOOP PLAY

Weekly League Games for 11 Schools To Continue Until February

The 1936-37 basketball season for Marion county's high schools will officially open Friday night when teams from six schools will be pitted against each other in league games and teams from two other schools will meet in non-league contests.

The opening round of the schedule will find Waldo at Morral, Caledonia at Prospect and Vinton at Agosta, all vying for league honors and Pleasant at Green Camp in a contest which will have no bearing on the county standings. Caledonia was originally scheduled to invade Vinton in a week but the contest was postponed to Dec. 23 because Vinton only recently completed its football schedule to be given another week of preparation before participating in the basketball season.

Both boys and girls teams from 11 schools are entered in the county league and will compete in a 12 week schedule after which the county tournament will be held for the boys squads. Except for being idle during the holiday vacation and at Thanksgiving week when games are scheduled for Wednesday night the teams will face county competition every Friday until early in February.

Because of the postponed game the boys county championship squad Caledonia will not face league opposition until Nov. 23 when the team travels to Agosta to defend its laurels. Waldo High school which last year furnished the girls championship squad will

AIR RAID EXPECTED WHEN WILDCATS INVADE MICHIGAN

Saturday Program Also Matches Ohio State and Illinois, Army and Notre Dame.

By The Associated Press
CHICAGO, Nov. 16.—Northwestern Wildcats new champions of the Western conference apparently are going to get another air raid Saturday when they invade the fair of the Michigan Wolverines.

Last Saturday while clinching the Big Ten title by beating Wisconsin the purple was given a good scare by the Badger passing attack which elicited for three touchdowns. The aerial drive was as unexpected as it was successful but next Saturday Northwestern will enter the Michigan game knowing that Coach Harry Kipke's men will try to win via the over-land route.

Coach Kipke yesterday emphasized passing in a long drill hopeful of making a "stud" against Northwestern which would erase memory of last Saturday's 21 to 7 shellacking by Pennsylvania. Wally Howell, who starred in Michigan's victory over Columbia three weeks ago, may do most of the toying.

The Wildcats yesterday studied movie of the Wisconsin game and ran through new plays. Under attack and until six games ago against conference opponents they rank as the nation's No. 1 eleven.

M'Guirk Times Livernois; Webber Defeats Nichols

Wildcats Seeking To Round Out Second Schedule

KENTON, O., Nov. 16.—Walden High school football team day received practical instruction on how to hold their tempers and keep their heads in the game at Kenton High school Friday afternoon.

(Defeated since 1934 the Kenton High school football team year has won all eight of its games to date—281 to 6—and needs a victory over London to keep the team clean. The London team this season has acquired a reputation for toughness and has been pelted with a series of body slams. Some 400 fans who accompanied the team to Shelby Saturday cheered the Wildcats to a 35-0 victory over the team which the Kenton team had defeated the previous Friday at Marion.

Hardings 1418 at Marion said the local club is good on line and end runs forward and lateral play. The team also was good defense making 15 first downs seven for Shelby.

At the end of eight minutes of the deciding round Webber opened with a display which cost Nichols a point. Nichols was the champion and when Nichols came back with a series of body slams the hefty Webber countered with a rope act which gave him the fall in 11 minutes.

After repeatedly gaining 10 yards by rolling under the ropes Livernois landed a tough left hand on the Oklahoman. He applied the pressure, pummeling his opponent and took the opening round in 15 minutes. The crowd roared continually at Livernois use of the ropes and Referee Tom Tople although experiencing considerable trouble in watching the Livernois' illegal activity performed a good job in keeping Livernois within bounds.

Stricter Eligibility Rules for High School Athletes Sought

By The Associated Press
COLUMBUS, O., Nov. 16.—The Ohio High School Athletic Association moved today to tighten its rules regarding migratory athletes and to set absolutely definite maximum and minimum age limits to determine the eligibility of players.

The state board authorized it to amend the rules regarding migratory athletes to read: "No player shall be eligible to play in a high school game unless he is a resident of the state in which he is playing and he is under 20 years of age at the beginning of the half of the school year in which the contest occurs." The board also authorized it to amend the rules regarding migratory athletes to read: "No player shall be eligible to play in a high school game unless he is a resident of the state in which he is playing and he is under 20 years of age at the beginning of the half of the school year in which the contest occurs."

All pupils shall become ineligible on their 20th birthday.

A present rule permits migratory athletes to play in high school games if the high school enrollment is less than 70 provided the grade pupil is 15 years old but this rule would be supplanted by the new rule.

Pupils below the ninth grade are not eligible for interscholastic athletics. If they are permitted to play on the high school team the participation in the sport and the school may be suspended.

Relative to the migratory rule Commissioner Townsend said:

Nothing so disturbs peace and harmony among schools as the transfer of a pupil for athletic purposes. Last year at mid-year several boxes transferred without a change in the residence of their parents in order to be eligible for football this fall. It was impossible to prove this but there was some circumstantial evidence to support the claim yet not enough to warrant their being declared ineligible.

The grade school ban and the migratory rule change would be effective in September 1937 if approved by the school while the ballot will decide whether the 20-year age limit is effective next year or not to apply to students already enrolled in the schools.

SERIES OF BIBLE CLASSES END

Capital University Professor Discusses Book of John at Church Here.

The last of a series of four weekly Bible classes of the Marion Lutheran Sunday School Teachers' group, held last night at the Emanuel Lutheran church, was attended by 121 men and women from Lutheran churches in Marion and surrounding counties.

A special session of four weekly classes will open on April 5. The G. C. of Capital University in Columbus, closed his talks on the Gospel with a discussion of the Book of John.

through the glory of Christ and by means of that faith to enable them to secure life through Him, said Dr. Galt.

Distinctive features of the Gospel brought out by the speaker are its combination of simplicity of language with profound thought, the remarkable vivid dialogue, and the full treatment of the person and work of the Holy Spirit. "It is the distinct of symbolism of the Gospel," he said.

Dr. Galt presented the following biographical sketch of John: "He was the son of Zebedee and Salome, and a younger brother of James. His father was in good circumstances as he owned a boat and had hired servants. His home was at Bethsaida on the Sea of Galilee. His mother was the sister of Mary, who was a cousin of Jesus. John had his own home in Jerusalem and was acquainted with the Jewish high priest. He was probably a disciple of John the Baptist who directed him to Jesus and was the youngest of the Twelve Disciples. With James and Peter he constituted the inner circle of the Twelve and he became the disciple whom Jesus loved. John was the only disciple under the Cross and was given charge of Jesus' mother and was present at the numerous appearances of Christ after the Resurrection. After Pentecost he remained in Jerusalem and with Peter labored with success. After the death of Mary he went to Asia Minor where he resided chiefly at Ephesus. His stay here was interrupted by his banishment to the island of Patmos in the Aegean Sea. He returned to Ephesus and died a natural death at the age of about 100 years."

A devotional talk on "He Is My Lord," based on the theme, "What Does Jesus Mean to Me as a Teacher?" was given by Rev. J. W. Schilling, pastor of Emanuel church, preceding Dr. Galt's discourse.

UNITES HELD HERE

FOR W. H. BUSSEY

The funeral of William H. Bussey, son of Mrs. Rachel Bussey of 117 Garden street, who was killed instantly in an automobile-train crash early Sunday morning in Columbus, was conducted today at 2:30 p.m. at the M. E. Gauder & Son funeral home on West Center street. Rev. Stanley W. Wiest of Wesley M. E. church officiated. Burial was made in the Marion cemetery.

A Columbus police official termed the death accidental following the investigation yesterday, according to a news report. The official said Bussey apparently had thought he was on a "through" street and, according to witnesses, he car lurched a three-foot ditch at the end of a "dead end" street and onto the fire four railroad trucks in the path of a passenger train. He said the victim was unconscious or dead of a broken neck when the train struck the car.

UNION CHIEFS PRESS ORGANIZATION PLANS

Election Victory Seized as Right Time To Spur Drive in All Industries.

By The Associated Press. — WASHINGTON, Nov. 10. — Selling upon this post-election period as the psychological time to press for new gains upon labor today in increased its efforts to bring thousands upon thousands of non-union workers into its fold.

New demands for constitutional amendment giving the federal government authority over such problems as wages and working hours also were heard.

The International Ladies Garment Workers placed \$500,000 at the disposal of their president, David Dubinsky, for a drive to unionize 50,000 non-union garment workers in the campaign to center around field offices in St. Louis, Kansas City, Pennsylvania and up state New York.

The union executive board also advocated constitutional amendment to congress could legislate for the protection and advancement of the wage earning masses.

From the president of the United Textile Workers, Thomas P. Mahon came a proclamation urging the textile workers to organize their forces in the demand for wage increase, reduction of hours and improved conditions of employment.

The Garment Workers are affiliated with the John L. Lewis Committee for Industrial Organization which is seeking to unionize steel. The leaders of the American Federation of Labor are suspended from the C. I. O. union from the federation after a family quarrel has been hopeful that the Garment Workers are ready to leave the Lewis ranks and go back to the federation.

No action on this question was taken at a meeting of the Garment Workers executive board yesterday but President Mahon said he knew that the family quarrel was on today's agenda for discussion.

STEEL MEN DEMAND BIGGER PAY RAISES

By The Associated Press. — PITTSBURGH, Nov. 10. — Steelworkers pocketed their new wage increases today but said a spokesman was going after more. The spokesman, William Garley of Braddock, said he expressed the sentiments of representatives of 50,000 employees of the Carnegie-Illinois Steel Corp. biggest steelmaker in U. S. Steel.

He and other employee representatives went into conference again with the avowed intention of demanding boosts in the wage scale of 10 per cent—announced Saturday and expected to add \$100,000 to the payroll in the Pittsburgh district alone before Christmas.

All of the delegates are dissatisfied with the offer of a measly raise. They said they were taking a strike action after more. The spokesman said the Carnegie-Illinois Steel Corp. had a payroll of 50,000 employees. He said the company would join an equal number of employee representatives in a conference today. They added that if the wage question were brought before the meeting, employee representatives as indicated would be any requests would be received.

15 TAKE HEARING TESTS AT LIBRARY

Marion Group Offers Free Ser-
vice Today

Approximately 15 persons took
advantage this morning of the of-
fer of the Marion League of Hard
of Hearing to test the hearing of
any resident of Marion city and
count free today at the City
Library.

A larger group was expected this
afternoon with the largest re-
sponse tonight for tests between
7 and 9 p. m.

The audiometer test is simple
consisting of determining the de-
gree of deafness by the means of
a record of sound heard by a per-
son through headphones. It is
possible to determine whether a
person is deaf in one or both ears
which ear is affected and the ex-
act degree of the deafness.

ERIE IS DEFENDANT IN \$50,000 ACTION

V. D. Stoneburner Claims In-
jury Caused Him To
Lose Sight

A \$50,000 damage suit was filed
against the Erie Railroad Company
in common pleas court yesterday
by Virgil D. Stoneburner, who
claims he lost his sight as a result
of an injury suffered while work-
ing for the company.

In his petition he says that
while he was employed as a loco-
motive crane operator and hostler
in the Marion yards April 6, 1935,
he suffered injuries which have led
to blindness as a result of negli-
gence on the part of the company.

He said a heavy iron door on a
locomotive swung open and struck
him on the head and shoulder just
as he was entering the cab to clean
it. The locomotive was standing
over a repair pit he said. He ac-
cuses the company of negligence in
failing to provide a safe place in
which to work and in failing to
latch the iron door.

He was rendered unconscious by
the blow and a few weeks later his
vision began to fail he said. He
says he is unable to follow any
gainful employment as a result
of P. Davis is his attorney.

One Death in September Industrial
Casualty List

On the industrial death claim was filed with the state industrial accident compensation board. According to the report by Dr. Thomas P. Kearns of the division of safety and hygiene, "One industrial death claim was filed. No claims were reported for permanent partial disability, while 70 reported cases of temporary total disability were reported. Of these, 46 were of the back and neck and 24 were of the head and face. The total time lost to county workers as the result of accidents was 6771 days. In the entire state 1223 injuries and occupational diseases claims were filed with the compensation board. Slightly higher than the frequency was reported for the preceding month (a three percent decrease) than in August.

The year 1966 has been a hard year for the Junior Red Cross. C. W. are Marion county chapter chairman said.

Marion city resulting in the enrollment of at least 1000 members. The sale of the public schools and giving the school a 100 per cent rating was the focal point of Mrs. J. E. Crowe and her co-chairman Mrs. J. M. Quigley show.

Concluded speech of the Junior A-R-K will be made possible by the success of the roll call which will start next Monday, under the direction of Gene Hill, roll call chairman.

In the last 12 months 3,001 Marion boys and girls have been enrolled in the Junior work of spreading cheer to the less fortunate.

It is the hope of officers of the Marion County Junior A-R-K chapters and the Junior clubmen to enlarge the organization through the coming year.

must submit an additional return for the remainder of the year. In determining the amount of taxable and non-taxable sales consumed off the premises, the vendor has the option of either of two methods: he may tabulate the taxable or non-taxable sales as they are made; or he may determine the separate amounts sold at retail, by totaling the amount purchased at cost and adding the markup or profit.

Housewives, in making up their daily grocery list, can cooperate with the groceryman by knowing what articles are taxable and which are not. The tax commission points out that all items coming under the general classification of meat, vegetables, bread, dairy products, coffee, sugar, tea, fruit, vinegar, confections, cereals, flavoring extracts and condiments are classified as food by the commission's regulations, and are not subject to the sales tax when purchased for consumption off the premises where purchased.

A partial list of foods not taxable under the sales tax are: Apple butter, apple sauce, sliced apples, canned apricots, dried apricots, asparagus, baking powder, baking chocolate, barley, canned and dried beans, beefs, bran flakes, breakfast food, bulk beans, rice, horning, butter and butter substitutes, peanut butter, cakes, cuppies, carrots, catsup, cereal, cheese, cherries, canned chicken, chili con carne, chili sauce, chop suey items, clam chowder, chow mein items, coconut, cocoa, coffee and substitutes, condiments, corn flakes, pop corn, crackers, currants, dates, salad dressing, eggs, extracts, figs, fish, flour, biscuit flour, cake flour, food coloring, fruits and juices, fruit salad, gelatine, ginger bread mix, honey, ice cream, marshmallows, jelly, junket powder, sour cream, lard and substitutes, lentils, macaroni, mackerel, mayonnaise, corn meal, meats, milk, mince meat, mushrooms, mustard, nut-lasses, marmalade, mush, noodles, nuts, oats, rolled oats, salad oil, olives, canned peaches, evaporated peaches, pears, canned and dried peas, pepper, pickles, pineapples, pineapple preserves, prunes, pumpkin, adding, plums, raisins, relish, radishes, salt, sandwich spreads, sardines, all sauces, baking soda, soup, spaghetti, spices, spinach, sugar, corn starch, syrup, tapoca, tea, tomatoes, tomato paste, vinegar, vegetables and yeast.

The commission advises housewives that the above is not an inclusive list and is issued merely as a guide to non-taxable items.

MISSION SERVICES SET BY CHURCHES

Inspirational services Sunday in the interest of home and foreign missions will be held at Epworth Prospect Street, Wesley and Asbury M. E. churches at the order of the bishops of the church who are meeting today in Scranton, Pa.

The meeting today in Scranton was in the interest of the Million Unit Fellowship Fund, a movement in Methodism to enlist men and women who will pledge at least \$12 a year to missions.

Every church in Methodism will set aside Sunday as the day for service to arouse the members to a greater zeal for missions. No collections will be taken at the services.

Early in the year three mass meetings of lay members will be held in northern, central and southern Ohio in the interest of the fund.

MARION DELEGATION AT CHURCH MEETING

Rev. and Mrs. Carl V. Roop, Mrs. Grace Parlette Siffritt, and a delegation of members of the First United Brethren church went to Columbus Grove today for the fourth annual adult convention of the Sandusky conference.

In the delegation were Mr. and Mrs. O. G. Rider, L. T. Walters, A. R. Shupp, Mrs. Harry Fowler and Mrs. Clara Hildreth.

Mrs. Siffritt was to give a talk at the closing of the afternoon session.

COUNCIL ACTS ON 2 MATTERS

Approves Bond Legislation and Again Delays Request of Phone Co.

City council, in one of its short meetings of the year, voted on only two legislative matters last night, tabulating one and adopting the other.

The proposal tabled by council for later consideration is the request of the Ohio Associated Telephone Co. for permission to install and maintain underground cables.

Council's action was suggested by Hayes Rogers, chairman of the council franchise and ordinance committee, who said he is not yet satisfied with provisions in the proposed resolution related to a bond the company must furnish the city before tearing up any streets.

The resolution, it was explained at a previous meeting, is sought in connection with a refinancing program the company plans. No extensive program of underground work is contemplated. Rather, the company seeks authority to maintain the underground cables it already has and for permission to install others in the future as the need may arise.

It is expected that R. M. Williams, attorney for the company, and the franchise and ordinance committee will study the proposed resolution before it is brought before council for further consideration.

The only other legislative matter considered last night was adoption of three ordinances placing council stamp of approval on award of \$10,376 of municipal bonds to the Toledo financial firm of Siler, Carpenter & Rose at an interest rate of 4 per cent. The bonds previously had been sold to the firm of Well, Roth & Irving but that firm did not approve the city's transcript of the bond proceedings. The city subsequently sold the bonds, issued in the last administration for smoke masks, salvage covers and hose for the fire department and for service department trucks, to the Toledo firm.

Councilman Basil Williams brought two matters before council, inquiring again why the West Side fire department is not at full strength since the injury of Fireman Hager and asking that the council hospital committee look into reports he had received concerning the City hospital.

Fire Chief J. J. McFarland told councilman Williams there is no civil service eligibility list from which an additional fireman could be named to take Hager's place. Council President R. C. Sharrack asked the council hospital committee to investigate the hospital reports Williams had received.

Councilman Williams' motion to pay Robert Case \$18.50 for damages to his automobile when Greenwood street "blew up" in a heat explosion of the pavement last summer was defeated by lack of a second.

At the request of councilmen, Clerk Harry Brookshire was instructed to ask Service Director John V. Ruth to investigate complaints regarding the condition of Hecker avenue between Main and State streets and a section of Nye street. Parts of both streets are extremely rough, councilmen reported.

NAZARENE REVIVAL IS WELL ATTENDED

A large congregation attended the revival service last night at the First Church of the Nazarene, conducted by Rev. and Mrs. Oliver Morgan of Indianapolis, Ind.

Visitors included Rev. and Mrs. L. L. Zimmerman of Kenton, Rev. and Mrs. Leo Johnston of Upper Sandusky, and Rev. O. M. Grace of Ripley.

Rev. Morgan preached last night on "The Downfall of Achan," taking as his text, Joshua 7:20. "And Achan answered Joshua and said, Indeed I have sinned against the Lord God of Israel."

"Sin is a departure from God," Rev. Morgan said. "One of the great needs today is for people to confess and say, 'I have sinned.'"

Rev. and Mrs. Morgan contributed several musical numbers.

Services will be held each night this week at 7:30.

Tickets for Orchestra Season Placed On Sale

Tickets for the third series of concerts to be presented by the Marion Civic orchestra were in the hands of guarantors and patrons of the organization today, Mrs. J. Malcolm Strellitz, chairman of the Woman's Symphony board, sponsor of the orchestra, announced. Tickets to be sold through the board membership and the orchestra members also will be placed on sale early this week and an uptown office is being established.

The season ticket will be priced at \$1 for the three concerts and a single admission will be 50 cents, it is announced.

This season as last, there is a list of guarantors and patrons who have contributed liberally to the financing of the orchestra series, and these will receive tickets in allotments of five and two respectively, the same as last year.

Mrs. Earl T. Stuart is in charge of the ticket sale, assisted by Mrs. G. H. Marting, who is in charge of the single admission sale, and Mrs. H. V. Alexander.

The orchestra, under the direction of Abram Ruvinsky, will present its initial program Tuesday evening, Nov. 24, in the First Presbyterian church. Appearing as guest soloist will be Frances Sebel, lyric-dramatic soprano, of Cincinnati.

It is the hope of the sponsors, guarantors and patrons that all music lovers of Marion and the adjoining vicinities will attend the concert series which promises to be outstanding both from the performance of the orchestra and in the list of guest artists appearing on each of the programs.

It is the plan of the board to have patrons, not using their available tickets for one or more of the concerts to see that they are placed in the hands of some school child who otherwise might not have an opportunity to attend. Anyone having tickets available for the course or a single concert, is asked to get in touch with Mrs. Alexander.

ARMISTICE PROGRAM GIVEN AT TEMPLE

An Armistice day program was given by William Laughman, watchman of shepherds, assisted by the choir, at a meeting of Marion Shrine No. 15, Order of White Shrine of Jerusalem, last night at the Masonic temple. Mrs. Rose Helwig, worthy high priestess, presided for the ceremonial conferring the initiatory degree. The charter was draped for the late Mrs. Corn Ritts.

An invitation to attend the inspection of Marion Bethel No. 2, Job's Daughters on Nov. 17, was accepted. A social hour followed the business session. Mrs. Marie Ward, queen, and the queen's attendants will be in charge of a social meeting in two weeks.

A "white elephant" exchange will be a feature of a covered dish luncheon meeting of the shrine sewing circle Wednesday at the temple.

BROWN IS SPEAKER AT CLUB MEETING

W. D. Brown, executive secretary of the Chamber of Commerce, spoke to members of the Seaside club on "Civic Activities" at their weekly dinner meeting last night at Hotel Harding. Mr. Brown was introduced by William Hanner, program chairman, and John Waddell, vice president, was in charge of the meeting.

Two new members, Ray Harker of 621 East Center street and Phillip Boyd of 122 West Columbia street, were introduced. D. I. Montgomery of Merchants avenue was a guest of the club. Twenty-five members were present.

The first test of whether Mr. Roosevelt has gone "conservative" will come on his attitude toward the balancing of the budget and the new tax law. This does not have to be revealed in several weeks yet. Meanwhile the President's abrupt reversal seems to let the "conservative" seem take a "breathing spell and digest the effects of the enormous amount of public money that is at present in circulation.

Mr. Roosevelt is being described generally as being able to do what he pleases with congress. No greater mistake can be made than to accept that assumption. Mr. Roosevelt will have to disappoint somebody when he has to choose between the conservative and radical programs that will be offered him. His close friends are confident he can steer a middle or "broad" course. What they forget is that Mr. Roosevelt owes his election not to the conservatives—for they voted the Republican ticket—but apart from the solid south Democrats, to a huge number of low income group citizens who liked his Madison Square Garden speech and expect him to follow through on its im-

Can He Follow Own Will?
The President may wish to be concerned as to what will be the new motto left him. How much influence would be given to the chiefs of organized labor like John Lewis? He may be able to do much persuading at a personal conference by the biggest prize in America. He presided in 1940—in the off- and ambitious men have already started growling at him. The next leader of the new matter will be the man who can win the plaudits of the biggest single group with in it and the labor. Mr. Lewis is the most aggressive of the labor leaders and the logical man to lead the labor movement in America in the light of the election returns.

Whether he is to follow on at the polls is the Farmer-Labor alliance envisioned by interference last August at Los Angeles a year ago or whether it is a term

But paradoxical as it may appear, the success of the political machines may prove a blessing in disguise to the Democratic party in seeking to maintain control against organizations like the New York Labor party and the other groups who came into the as so called the Tweed and Tammany expect the fruits of their effort.

Johnson Favored One Term

Johnson announced after his first inauguration that he would not be a candidate again. Andrew Johnson in his first message to Congress expressed the opinion that it was desirable to limit the term of the chief executive to four or six years. He repeated this recommendation in his second annual message.

Johnson's declaration of his intention accorded to demands of many who felt that the president should make no effort to obtain a second term although some of his enthusiastic supporters maintained that he should keep on being re-elected as long as he lived. However, he was not out of office just in time to escape the terrible panic of

several two terms has become by universal concurrence a part of our republican system of government and any departure from this time-honored custom would be unwelcome and fraught with peril to our free institutions.

The resolution was adopted by the huge majority of 234 to 18. It was supported not only by all Democratic members but by 70 out of 88 Republican representatives who voted. Four years after the passage of the resolution, when Grant was again proposed for the 1880 presidential nomination, his name led for 36 consecutive ballots but the convention finally chose Garfield.

years before Grant's turbulent term expired. It was said he would be a candidate for third term. In a letter to a Virginia Republican, he said: "I don't want a third term any more than I did the first." But he said the people were not to vote two terms by the Constitution.

Grant said that the Union would come what it would. He wanted Americans to make a choice of eight years or four years. He did not accept a nomination. He should enter under no circumstances, so as never to compromise his honor.

"Leaving of the country," he said, "is a private affair."

He died at age 61.

Third Term in Roosevelt

In 1904, Theodore Roosevelt announced that he would not seek a third term.

"On the fourth of March next I shall have served three and a half years—and three and a half years constitutes my first term," Teddy said. "The wise custom which limits the President to two terms regards the substance and not the form, and under no circumstances will I be a candidate for or accept another nomination."

But in 1912 he became the presidential candidate of the Bull Moose Progressives in the famous campaign which split the Republic as parties and resulted in the election of Woodrow Wilson. In 1916, Colonel Roosevelt's name was placed in nomination for the presidency but he made no campaign for it that year—and Charles Evans Hughes became the party's sole candidate.

Again at the close of the World war it appeared almost certain that Teddy would be the Republican presidential choice in 1920. Death intervened in January, 1918, to end his celebrated career. If he had lived he probably would

GROCERY

**LAD OFF FROM WORK
BY CONSTIPATION**

"For four years I suffered from constipation. I had gotten so weak I had to lay off from work. My doctor told me to use Kellogg's ALL-BRAN. Since then, my grocery bill has never been complete without it!"—Mr. A. W. Murphy, 1010 Fifth St., Tuscaloosa, Alabama.

This delicious cereal will give you the same, pure relief. Laboratory tests prove it's safe. Within a few days your "bulk" absorbs moisture, forms a soft mass, gently cleanses the intestines. ALL-BRAN also furnishes vitamin B which tones the intestines, and iron for the blood.

Just eat two tablespoonfuls daily, or use as a cereal or cook into appealing recipes. Isn't this natural food better than pills and drugs?

When you're at the grocery store today, get a package of Kellogg's ALL-BRAN. Try it a week, and if you don't feel worlds better, we'll refund and guarantee by Kellogg's Battle Creek.
